

THE FINISHING TOUCH: YOU

Mystic Y Naming Opportunities

Create a lasting personal legacy by naming a meaningful location in tribute to your family or in honor of a special person whose personal values align with the mission of the Y. Named spaces will have a recognition plaque displayed in a prominent location.

\$3,000,000

Mystic Branch: The completed facility will comprise 40,000 square feet of modern, state-of-the-art space to support expanding programs and growing populations. It will be the most prominent community-oriented building on the Mason's Island channel.

\$500,000

Wellness Center: The heartbeat of the branch, 7,800 square feet on level two will accommodate a full range of wellness machines, equipment and free weights. The Center will be fully glassed commanding sweeping views of the Mystic River.

\$350,000

Welcome Center: A bright and expansive two story lobby will warmly welcome members and guests as well as provide gathering places to meet, study and socialize.

\$150,000

Child Watch: A warm and engaging place to provide enriched care for infants and young children while their families participate in Y programs.

Teen Center: A safe and supervised space for teens & young adults. A Young Leaders Club and the Reach and Rise® Mentoring program will operate out of this facility.

\$ 100,000

Indoor Family Pool: Swim and water safety/lifeguard instruction as well as swim team competitions will be enhanced by cosmetic improvements to the pool as well as by adding a viewing deck and direct access for spectators and families.

Community Room: On the entrance level with a clear view of the Mystic River, this space will host non-profit agencies, schools, and others committed to building solutions to issues facing the community.

Gymnasium: This essential space was recently renovated and will be serviceable for many years to come. It will receive minor enhancements as part of this project.

Spin Studio: This room will provide space for 30 spin bikes, have separate cooling capabilities and a state-of-the-art sound system to support this growing program.

Wellness Studios (2): These instructional spaces will provide multi-purpose use including yoga, Pilates, boot camps, TRX among other programs.

\$ 75,000

Conference Room: A windowed room overlooking the pool for members, staff and volunteers to utilize for meetings, trainings and other small group gatherings.

Elevator: An essential upgrade providing ease of access for handicapped and seniors to all levels of the branch.

Terrace: This outdoor space on the ground floor level will be the transition point from the parking lot to the main entry access. There will be plantings and seating with an expansive Mystic River view.

Family Locker Room: An additional locker room designed to service families with young children and individuals with special needs will enhance changing room facilities by providing additional space and privacy.

Men's/Women's Locker Room (2): A modern changing and showering space equipped with elements of convenience and comfort.

Locker Rooms Foyer: An essential feature providing handicapped accessibility this ramped hallway will be a central corridor to the branch.

\$ 50,000

Membership Office: Extending from the Welcome Center, an office for new member on-boarding and to hold confidential conversations regarding financial assistance.

Director's Office: A central operations office to house the Branch Director.

Aquatics and Maintenance Director Offices: Professional spaces for key Y staff.
