VOLUNTEER OPPORTUNITIES

When you volunteer at the Y, you take an active role in bringing about meaningful, enduring change right in your own neighborhood. To volunteer, inquire at the Welcome Centers of any of our branches.

FINANCIAL ASSISTANCE

At the Y, our cause is to strengthen our community and we are committed to transforming lives every day. Our YCares Financial Assistance Program provides support to youth, adults, and families that ensures everyone has the opportunity to learn, grow and thrive. **Scan the QR code for more information or to apply!**

CHILD PROTECTION SCREENING

The safety of the children who use our facility has always been our top priority of the OCYMCA. Technology has now evolved that provides on-going screenings for registered sex offenders in all 50 states. YMCA staff uses a system to screen all members & visitors to identify unwanted visitors from entering our YMCA. If a potential threat is identified, the Raptor System will send an instant alert to designated management staff. If necessary, law enforcement will be notified. We appreciate your continued support in protecting all the children who come to our Y.

HAMMERHEADS SWIM TEAM

The Mystic Hammerheads swim team promotes Y values, team spirit, competition and fun. Swimmers will develop new skills and stroke technique, improve times and make new friends. We also focus on team building and good competitive practices to help our swimmers take their swimming knowledge to the collegiate level. The season kicks off in September and wraps up with championship meets in March. Throughout these months, swimmers will get the chance to compete against other Y swim teams within the SENECEY league. A YMCA membership is required to join the team.

SWIM LESSON LEVEL GUIDE

Infant & Toddler/Preschool

Stage A and B: Water Discovery and Water Exploration

No prior swimming experience is needed. Swimmers will be exploring the aquatic environment by learning to blow bubbles, gliding in the water while moving arms and legs, floating on their back, rolling front to back; working on the motor skills of grabbing onto the wall of the pool and learning to climb out and crawling on the wall in the water. Adults are required to be in the water with their swimmer and will also be learning fundamental safety and aquatic skills.

Stage A and B: Preschool Starter Class

This class is for prepping your toddler for when they are 1:1 with an instructor after they age out of Water Discovery and Exploration. Adults will still be in the water, but the instructor will be swimming with each swimmer periodically 1:1.

Stage 1: Water Acclimation

No prior swimming experience is needed. Swimmers will work on comfort with face in the water, gliding in the water, kicking, and moving their arms, floating on their back, rolling front to back and climbing out of the pool independently. The benchmark skills that need to be met to move on to Stage 2: Water Movement are submerging while jumping into the water, pushing off the bottom of the pool, turning and grabbing the wall assisted with the instructor. Swimmers also must be able to swim, float, swim for 10 feet assisted with the instructor.

Stage 2: Water Movement

Swimmers must meet benchmark skills from Stage 1: Water Acclimation to be in this class. We will work on submerging our faces in the water by looking at objects under water, front and back glides, floating on their back, rolling front to back, kicking and moving their arms and treading water for 10 seconds. The benchmark skills that need to be met to move on to Stage 3: Water Stamina are submerging while jumping into the water, pushing off the bottom of the pool, turning and grabbing the wall unassisted and performing a swim, float, swim independently for 5 yards.

Stage 3: Water Stamina

Swimmers must meet benchmark skills from Stage 2: Water Movement to be in this class. We will work on submerging and retrieving an object in chest-deep water, swimming on freestyle and backstroke for 10 yards unassisted, rolling front to back unassisted and treading water for 30 seconds. The benchmark skills that need to be met to move on to Stage 4: Stroke Introduction are submerging while jumping into the water, swimming, turning to swim back to the wall and grabbing the wall for 10 yards. Swimmers also must swim, float and swim for 15 yards independently.

We will work on submerging our faces in the water by looking at objects under water, front and back glides, floating on their back, rolling front to back, kicking and moving their arms and treading water for 10 seconds. The benchmark skills that need to be met to move on to Stage 3: Water Stamina are submerging while jumping into the water, pushing off the bottom of the pool, turning and grabbing the wall unassisted and performing a swim, float, swim independently for 5 yards.

Stage 3: Water Stamina

Swimmers must meet benchmark skills from Stage 2: Water Movement to be in this class. We will work on submerging and retrieving an object in chest-deep water, swimming on freestyle and backstroke for 15 yards unassisted, rolling front to back unassisted and treading water for 1 minute. The benchmark skills that need to be met to move on to Stage 4: Stroke Introduction are submerging while jumping into the water, swimming, turning to swim back to the wall and grabbing the wall for 10 yards. Swimmers also must be able to swim freestyle and/or backstroke for 25 yards.

Stage 4: Stroke Introduction

Swimmers must meet benchmark skills from Stage 3: Water Stamina to be in this class. This stage works on building endurance and refining freestyle and backstroke and will introduce breaststroke and butterfly. We will be swimming 25 yards with kickboards, 25 yards with drills and swimming 25 yards of each stroke in its entirety. Sitting, kneeling and standing dives will be taught along with working on treading water for 1 minute. Open turns and flip-turns will be introduced. The benchmark skills that need to be met to move on to Stage 5: Stroke Development are swimming all four strokes and having the endurance to swim 50 yards continuously.

Stage 5 & 6: Stroke Development & Stroke Mechanics

Stage 5: Swimmers must meet benchmark skills from Stage 4: Stroke Introduction to be in this class. This stage works on building endurance and refining freestyle, backstroke, breaststroke and butterfly. We will be swimming 50 yards with kickboards, 50 yards with drills and swimming 50 yards of each stroke in its entirety. Kneeling and standing dives will be taught along with working on treading water for 2 minutes. Open turns and flip-turns will also be a focus throughout the class. The benchmark skills that need to be met to move on to Stage 6: Stroke Mechanics are swimming all four strokes and having the endurance to swim 75-100 yards continuously.

Stage 6: Swimmers must meet benchmark skills from Stage 5: Stroke Development to be in this class. This stage works on building endurance and refining freestyle, backstroke, breaststroke and butterfly. We will be swimming 75-100 yards with kickboards, 75-100 yards with drills and swimming 75-100 yards of each stroke in its entirety. Kneeling and standing dives will be worked on along with retrieving an object from the bottom of the pool and treading water for 1 minute after. Open turns and flip-turns will also be a focus throughout the class.

Stage Teen: Teen Swim

This class is for those who want either learn to swim or develop their swimming abilities. This class ranges from a beginner level to an intermediate level of swimming. Goals in this class will be to develop a proficiency in freestyle and backstroke, as well as to introduce breaststroke and butterfly and overall safety around water. It is preferred that participants have some comfortability with putting their faces in the water.
