WELCOME TO THE Y!

As a member of the Y, you become part of much more than a place to exercise. You become part of a welcoming and supportive group of individuals committed to making our community a place where everyone has the opportunity to learn, grow and thrive.

For more than 150 years, the Ocean Community YMCA has been guided by its mission and values to strengthen the foundations of our community and nurture the potential of all who call our region home. Although the work of our Y has changed over the years, from teaching English to immigrants in the early 1900's to teaching values to modern day youth, our Y has a long record of service and programs that have brought a better quality of life to the community. One of the greatest things our Y's will continue to do is build character in children and adults.

We have compiled this handbook as a quick reference for you. Please refer to this information to learn about policies, programs and the purpose behind our organization. We want to do whatever we can to help you make the most of your Y membership.

Thank you for being a part of the Y!

Sincerely,

Maureen Fitzgerald
President & CEO
Ocean Community YMCA

WHO WE ARE

Since our beginning, our Association has strived to serve our community with valuable programs targeting the health of the individual, the strength of our families and a lasting bond and friendship within our community. The Westerly-Pawcatuck branch was founded in 1928 on its current site in Westerly, RI. The branch saw many expansions through the years. With the turn of the new millennium, the Association opened both the Arcadia and Mystic branches.

Our Mission

To put Christian principles into practice through programs that build healthy spirit, mind, and body for all.

Our Vision

The Ocean Community YMCA will be recognized as the leading community organization in our area by directly engaging children, adults, and families from all segments of our communities in achieving healthier lifestyles. As a result, we will inspire philanthropic support, engage more volunteers, develop staff, strengthen collaborations, and enhance facilities. We will be fiscally responsible, assuring fulfillment of our mission.

Our Focus

At the Y, strengthening community is our cause. The Y believes that social change happens when people come together and invest in our children, health, and neighbors. To achieve this vision, the Y has three areas of focus: youth development, healthy living, and social responsibility.

The Ocean Community YMCA is recognized as one of the leading community organizations in our area by directly engaging children, adults and families from all segments of our communities in achieving healthier lifestyles. As a result, we inspire philanthropic support, engage more volunteers, develop staff and strengthen collaborations within the community.

FINANCIAL ASSISTANCE

YCares

Every year, thousands of individuals and families participate in our YCares program. YCares is the Y's income-based financial assistance program that helps ensure that we are there for those in need and affordable for all. An individual's rate for membership is determined by the chosen membership category and household income. Applicants for the program are required to provide verification of income. Everyone, including existing members, are welcome to apply.

If your income changes during the course of your membership, you are welcome to contact us to explore this option to maintain your involvement in programs and services of the Y.

YCares offers children, teens, adults and families the opportunity to benefit from Y programs and services that they otherwise could not afford.

Annual Support Campaign

The Ocean Community YMCA is dedicated to making a positive impact in people's lives through youth development, healthy living, and social responsibility. At the Y, no child, family or adult is ever turned away due to their inability to pay.

Our Annual Support Campaign raises funds to ensure memberships and programs are available to all who wish to participate. Y Programs to provide learning and life-enhancing experiences that build strong kids, strong families, and strong communities.

When you give to the Y, your gift will have a meaningful, enduring impact right in your own neighborhood. All of the funds raised during the campaign go directly to those in need through our scholarship program.

The graphic features the YMCA logo at the top, followed by the headline "OUR PURPOSE IS DEEPER THAN OUR POOLS" and the tagline "Every dollar of support to the Y's Annual Campaign helps make life better for your neighbor." Below this are five heart-shaped icons representing different donation levels and their impacts: \$100 (Spirit, Mind, & Body), \$250 (Character Counts), \$500 (Strong Kids), \$1000 (Strong Families), and \$2500 (Strong Communities). The background shows a group of children swimming in a pool. At the bottom, it says "THE OCEAN COMMUNITY YMCA".

FEES AND PAYMENTS

Your prompt, consistent payment of membership fees help us continue to offer our community- focused programs and services. The best way to ensure your payments are always on time is to set up a monthly bank, debit or credit card draft. With an automatic draft, we deduct your monthly membership fees directly from your bank or credit account—with no hassle to you—as long as you're a member.

To set up your automatic draft, simply visit the Welcome Center at your local Y and they'll be happy to help you set it up. Here are a few things to remember when you do:

- If you must cancel your membership or change your account information, we will gladly make those changes for you upon receiving written notice. Just visit your local Y to complete a Change or Cancellation Form.
- Please monitor your monthly bank or credit card statement for discrepancies. You must report errors within 90 days of occurrence to enable us to correct our mistake and refund the appropriate amount to you (after 90 days, we will only be able to correct our error.)
- If you prefer to be billed, we offer an annual invoice option in addition to payment by monthly draft. You will receive an invoice at least 30 days prior to the payment due date. If we do not receive your complete payment by the payment due date, we will assume that you are canceling your membership.

Changes to Your Membership

Change is inevitable, even when it comes to your Y membership. Thankfully we offer a simple form (available at any branch) for you to complete any time you need to alter something related to your membership. Whether adding or removing a family member or updating your address or bank account information, you can submit updates any time with ease.

Upgrades

Do you need to add someone to your membership? Simply complete the change form to let us know of the upgrade. Of course, adding participants to a membership may push you to a different membership category with added fees. If that's the case, please note that you will be responsible for paying additional membership dues, as well as the difference in joining fees, at the time you submit your change form. If you pay by annual invoice, we ask that you also pay the difference in your dues for the balance of your invoice period.

Downgrades

If you need to remove members from your membership, complete a change form and return the membership cards of those no longer participating. We will adjust your membership category and dues. Please allow 30 days to adjust the bank draft amount. Refunds will be made for remaining dues paid on annual invoice payments. We cannot refund or provide a credit for the original joining fee.

Moving

An Ocean Community YMCA membership is not transferable to another Y outside of our association. If you're moving out of our area but would like to maintain your Y membership elsewhere, you must cancel your membership here and join again in your new city. At your request, we will be happy to provide a letter stating your cancellation date here and the amount of joining fees you paid. Contact the Y in your new area to find out their policies, joining fees and dues, as details will vary.

Holds

Members may be eligible, upon approval from the branch, to put their membership on hold for up to 3 months per calendar year without being assessed the joiner fee upon returning to the Y under the following circumstances:

- Medical reasons - verified through a Doctor's note (hold may be longer than 3 months if stated in Doctor's orders).
- Loss of employment - verified through unemployment documents.
- Those who are eligible may apply for a YCARES scholarship.

**All requests to put a membership on hold must be submitted in writing within 10 days of their next draft date.*

Cancellations

To end your membership, complete and sign the Ocean Community YMCA Exit Survey & Cancellation Form and submit it with your membership cards to your local Welcome Center. We ask that you provide a completed OCY Exit Survey & Cancellation Form **ten days** prior to your next draft date.

Return Payment Fees

In the result that your credit card, debit card or checking/savings account declines upon drafting membership or program fees, a return payment fee will be added to your account. This fee must be paid and cannot be refunded.

If your credit card or checking/saving account declines for two consecutive months, membership will be terminated, and member will be responsible for balance.

Rejoining the Y

You are welcome to rejoin the Y any time after canceling your membership. If more than **90 days** has elapsed since your cancellation, we will assess an additional joining fee. No matter when you choose to rejoin, you will be responsible for paying current membership dues and any outstanding fees owed.

Membership Refunds

If you choose to end your membership, we'll halt the automatic withdrawal from your bank account on request ten days prior to your monthly dues draft date is required. There are no refunds for joining fees. Note that we never refund membership fees due to lack of use or non-attendance. Help us help you by monitoring your monthly bank statements. If you discover an error on our part and report it within 90 days, we will correct our error and refund the appropriate amount (after 90 days, we will only be able to correct our error).

Anyone who feels uncomfortable in confronting a person directly should report the behavior to a staff person or the Director on duty.

The YMCA staff will investigate all reported incidents. Suspension or termination of YMCA membership privileges may result from a determination by the Branch Director if in his/her discretion a violation of the YMCA Member's Code of Conduct has occurred.

Membership Cards

- All members will receive membership cards. They are essential tools to maintaining safety at all OCY locations.

- Never loan your card or transfer your membership to someone else; these actions are grounds for termination.

Service Animals

Service dogs are allowed to accompany the handler to any place in the building or facility where members of the public, program participants, customers, or clients are allowed.

The policy provides for a reasonable break time for an employee, volunteer, or intern to express breast milk for her nursing child for one year after the child's birth each time such employee, volunteer or intern has need to express the milk in a private setting.

Additionally, it is the intent of Ocean Community to provide reasonable accommodations for our employees who have medical conditions related to pregnancy, childbirth, and nursing. An employee may be asked for a doctor's note to support the accommodation.

Contact an HR Representative if you are a nursing working mother to discuss your needs.

Inclement Weather Closing & Cancellation Procedure

The YMCA reserves the right to cancel classes or close its facilities if it feels that remaining open will jeopardize the safety of members, participants and staff. In the event of inclement weather, the following guidelines will be used.

Branches will follow their local school districts:

ARCADIA – Chariho School District

MYSTIC – Stonington School District

WESTERLY-PAWCATUCK – Westerly School District

If schools are **closed in advance of opening** due to weather conditions:

- All YMCA classes scheduled to begin prior to 3:00 pm will be cancelled.
- If storm continues throughout the day, a decision to cancel afternoon and evening classes will be made by Vice President of Operations by 1:00 pm

If schools are **dismissed early** due to weather conditions:

- A decision to cancel afternoon and evening classes will be made by the Vice President of Operations by 1:00 pm.

If schools are closed or dismissed early due to weather conditions:

- Any program held at school facilities will be cancelled.

If schools have a **delayed opening** due to weather conditions:

- All YMCA classes scheduled to begin prior to 10:00 am will be cancelled.
- Regular class schedules will resume at 10:00 am unless otherwise noted.

If weather conditions deteriorate while a program is in session, the YMCA may elect to dismiss participants early after consulting with Senior Management.

If weather conditions warrant, the YMCA may close one or more of its branches at any time.

During weekends days, the Vice President of Operations and/or CEO will decide to delay opening, close early or close one or more branches.

The YMCA will utilize our website, constant contact email, current social media platforms, phone messaging systems and RI/CT broadcasting systems to communicate all delays and closings. Staff will be contacted by phone and/or email.

Personal Belongings

The YMCA strongly discourages bringing important personal belongings into the Y locker rooms. It is up to you to secure all personal belongings. The YMCA member is solely responsible for all personal belongings and must provide their own secure lock for protection of items.

Attire

The Y is a family-oriented organization, and your attire must always be appropriate throughout all areas of our facilities. Swimsuits are required in the pools—no cutoffs or street clothes are permitted. Proper workout attire and gym shoes should be worn in our wellness branches, aerobic studios, basketball courts, tracks and other program areas.

Security

We do everything we can to ensure your security and safety while on any Y premises. That's why we place so much attention on the use of membership IDs for check-ins. However, we cannot be responsible for any theft or damage to your personal property, either in our buildings or on our parking lots. Please remember, you are responsible for securing any items you bring on site.

If you do have one of your possessions stolen or damaged, please complete an incident report at the Welcome Center.

Leave valuables at home and protect the property you do choose to bring by securing it in a locker in a locker room (you must provide your own lock). Y Staff are not permitted to hold or watch your valuables for you.

Grievance Policy

The purpose of this procedure is to outline how members, participants, and parents can share their opinions, suggestions, concerns or grievances regarding policies or personnel that impact our organization.

1. Opinions, suggestions, concerns, or grievances should initially be brought to the attention of the Executive Branch Director when the matter concerns a specific branch or individual at a branch.
2. If the individual does not feel that the Executive Branch Director has fully addressed the matter, they should reach out to the Vice President of Operations and Chief Operating Officer.

- b. Specific dates and times of the occurrence
- c. The type of complaint (regarding a specific person or policy)
- d. Details of why this is concern or what occurred
- e. The suggested remedy

 - c. They will follow up in writing with the person filing the concern to summarize the findings and proposed solution.
5. If the individual is not satisfied with this response, they may appeal to the Chief Operations Officer or President/CEO. These individuals will take the same steps outlined in #4 above.
