Class Descriptions Westerly-Pawcatuck Branch

95 High Street
Westerly, RI 02891
4015962894

AM Stretch & Tone - Complete your workout with a good stretch to enhance your flexibility, incorporating toning in the Abs, Hips and Glute.

Aqua Cardio - Medium to high intensity water class with light to medium impact. This class will improve flexibility and mobility, tones and strengthen muscles, increases stamina and energy. Participants must be comfortable in shallow and deep water.

Aqua Flow & Go - Formally water walking. This class focuses on improving and enjoying pain-free movement as we gain flexibility, strength, endurance, and balance skills in both shallow and deep ends of the pool. Low impact and for all ages.

AquaZumba - Known as the Zumba "Pool Party", Aqua Zumba gives new meaning to the idea of an invigorating workout. It combines the Latin rhythms and dance steps with a pool workout.

Barre - This workout is a series of movements that strengthen the entire body and insures that no muscle is overlooked. With a combination of functional strength, the core conditioning of Pilates and the flexibility of Yoga.

Barre & Balance - Barre inspired conditioning training & Balance work.

Beginner Spin/ Teens Welcome - Welcome to Spin! Learn how to set up your bike and navigate the bike panel. Teens welcome.

Beginner TRX - Learn to use the TRX Suspension Trainer. TRX levers gravity and your body weight to perform hundreds of exercises.

Body Sculpt - A total body class using weights, tubing, body bars, etc.. We work both upper and lower body together to give you a great cardio workout.

Boot Camp - Turn your body into a fat burning machine with cardiovascular conditioning and plyometric drills. Improve your agility, balance, core strength and flexibility while your body is power training and burning fat.

Build & Burn - Strengthen your body while burning calories!

Butts and Guts - This class focuses on training all major muscle groups of the lower body and abdominals! Class will utilize strength equipment and cardio movements.

Cardio Dance & Tone - A lively class incorporating dance and tone movements.

Chair Yoga - Class begins with breathing and centering as students are guided and encouraged to stay connected to the breath and find ease of movement that suits their individual bodies. This class can be don in or out of a chair.

Essentrics - Essentrics is a full body, dynamic workout in which you elongate and strengthen all muscle in the body. This will help with balance, flexibility, functional strength and moving with greater ease. For every age and fitness level.

Interval Training - A mix of cardio and weights to challenge your aerobic capacity. Exercises vary in rates of speed and degree of effort.

Moving for Better Balance - Evidence-based, instructor lead group program designed to help improve strength, balance, flexibility and mobility through slow and therapeutic movements of Tai Chi.

Pedaling 4 Parkinsons - The Pedaling for Parkinson's program is a form of "Forced Exercise" on a bicycle which includes a 10 minute warm up, 30 minute ride and 5 minute cool down.

Pilates - Based on the methods of Joseph Pilates, this class focuses on building core strength and creating a more flexible and balanced body through non-impact exercises.

Punch Back @ Parkinsons's - Class is designed to slow disease progression, improve symptoms, restore function and increase longevity and quality. Circuit style class includes boxing stations to "speed up to slow down" your progression of Parkinsons's.

Restorative Flow - A class that is all about slowing down and opening your body through passive stretching. During the long holds of this practice your muscles are allowed to relax deeply.

Spin - Pedal through hill climbs, sprints, and many other challenging drills and exercises. All levels are welcome. An indoor cycling class set to exciting music tracks and choreographed to provide an excellent workout and improve cardio conditioning.

Strength Training - Looking for the class to get you to the next level of fitness? Look no further! Complete your fitness routine with this class dedicated to resistance training.

Stretch and Go - Combine core strengthening, muscle toning, and flexibility with a healthy dose of fellowship and fun!

Tai Chi - A series of gentle physical exercises and stretches. Each posture flows into the next without pause, ensuring that your body is in constant motion. It promotes serenity through gentle movements-connecting the body and mind.

TRX - The TRX Suspension Trainer is a workout system that leverages gravity and your body weight to perform hundreds of exercises. You're in control of how much you want to challenge yourself on each exercise.
